

CURRICULUM VITAE

Name : Fawzia Abd Allah Abou Neima

Address : 30 Dar El Sorour, Madenet El Zahraa,
Helmiet El Zeitoun, Cairo, Egypt

Date Of Birth : 15 September, 1943

Place Of Birth : Cairo Egypt

Nationality : Egyptian

Marital Status : Married

Present Employment : Egyptian Electricity Authority Since 1965

Present Position : Vice Chairman For Affiliated Companies Affairs.

Previous Position : Managing Director For Planning and
Economic Studies.

Experience :

- * BOOT Projects (RFP preparation, bid evaluation and contract negotiation).
- * Preparation for public offering of Electricity Companies.
- * Electricity Tariff Studies (Average & Marginal).
- * Tariff Review.
- * Cost Analysis & Cost Forecast.
- * Electricity Tariff for Trading.
- * Load & Energy Projection.
- * Generation Expansion Planning.
- * Load Research & Load Management.
- * Energy Conservation Programs.
- * Techno_Economic Feasibility Studies For Power Stations and Network.
- * Preparation for the negotiations between EEA and World Bank & other financing agencies for the finance of EEA projects & studies.

Academic Professional Qualifications :-

<u>Institution</u>	<u>From</u>	<u>To</u>	<u>Degree</u>
1) Saray El-Koba High School	1957	1960	High School Certificate
2) Ain Shams University, Faculty of Engineering	1960	1965	B. Sc. Engineering-Electric Power & Machines Engineering
3) Ain Shams University	1982	1986	M.Sc. Engineering Marginal Generation & Transmission Cost for Tariffication

List Of Publications And Research :-

1. "Review of the Egyptian Experience in the Estimation of Generation Marginal cost for Tariff Purposes"-Regional Power Utility Tariff Symposium-Asian Development Bank-Manila, Philippines August 1982
2. "Towards Energy Conservation Tariff"-Conservation in Electric Energy Production and Consumption Symposium-Ministry of Electricity & Energy- Jan. 1984.
3. "Proposed Electricity Tariff up to 1986-1987, its Effect on Electricity Sector and Electricity Customers"-Ministry of Electricity & Energy Feb. 1984.
4. "Effect of Electricity Tariff on Industrial Loads"-Load Research & Load Management and the Role of Electricity Tariff in Energy Conservation Seminar-Ministry of Electricity & Energy Jan. 1985.
5. "Electricity Pricing Problems in Developing countries Inhibiting the Development of Electricity Sectors and Remedies ". First Symposium on Electric Power Systems in Fast Developing countries-King Saudi University Riyadh Saudi Arabia, 21-24 March 1987.
6. "Application of the Marginal Cost for the Development of a New Beneficial Tariff Structure"-Fifth International Conference on Metering Apparatus and Tariff for Electricity Supply University of Edinburg. 13-16 April 1987
7. "The Role of Electricity Pricing in Load Management and Energy Conservation" Energy /Power Project Analysis Course-Institute of National Planning /Ministry of Electricity &Energy, Nov. -Dec. 1988.
8. "Means of Electric Energy Conservation"-Energy/Power Project Analysis Course-Institute of National Planning Ministry of Electricity &Energy, Nov. -Dec. 1988

9. "Guide line for youth in Energy Conservation" High Council for youth & Sports-October 1988.
10. "Rehabilitation of the Suez thermal power station in Egypt" United Nations Seminar on Energy Conservation in Developing Countries Stockholm, Sweden, 3-9 September, 1989.
11. "Load & Energy Forecast (Egypt case study)" Appraisal of Projects Program, National Institute For Planning, Cairo - Egypt 14 July-4-August, 1991.
12. "The Long-Run Marginal Costs associated with the Generation Expansion Program (the Egyptian case study)" UNDP/World Bank project on Energy Planning For European and Arab state countries, General Review Seminar of Project Activities. Cyprus 28 August-4 Sep 1991.
13. "Planning of Generation and Transmission System, Egypt Case" Middle East Power System Conference MEPCOW 94, GIZA, EGYPT, January 3-6, 1994.
14. "Energy and Sustainable Development In Developing Countries". International Conference On Energy Challenges For Sustainable Development In Developing World, Cairo, Egypt, January 17-18 1994.
15. "Power System Planning, Egypt Case" Cigre First Regional Meeting of Arab Region. Cairo - Egypt 21-23 January 1995.
16. "Energy Conservation Surveys in European Countries and in Egypt" Technologies for Energy Efficiency and Environmental Protection Conference and Exhibition. Cairo, Egypt, March 26-30, 1995.
17. "Energy Development and Energy Conservation in Egypt". Technologies for Energy Efficiency and Environmental Protection Conference and Exhibition. Cairo, Egypt, March 26-30, 1995.
18. "Financing of Electric Power Projects in Developing Countries, Case of Egypt and its Prospective". Conference on How to Finance Energy Projects in the Mediterranean Basin Cairo, Egypt, October 2-3 1995.
19. "More Efficient Use of Energy in Egypt and its Future Impact". World Energy Council 16th Congress, Tokyo, Japan, October, 1995.
20. "Maximizing Efficiency in Electrical Energy Sector". International Conference on Energy Challenges for Sustainable Development in the Developing World, Oct. 1995.
21. "The Economic Force Driving Power Sector". Restructuring, Privatization and Internationalization. Cairo, Nov. 1995.
22. (In Arabic)

23. "Egypt's Strategy in the Field of Demand Side Management". 3rd Afro-Asian International Conference in Power Development, Kathmandu, Nepal, March 1996.
24. "Development of the Electricity Sector in Egypt and Role of DSM". Seminar on Demand Side Management in Cities, Alexandria, Egypt, Nov. 1996.
25. "Load Management Potential in Residential and Industrial Areas". Second Regional Conference of Cigre Committees in Arab countries, Amman, Jordan, May 1997.
26. "EEA Business Plan: A Tool for Sustainable Institutional Reform and Organizational Improvements". Dec. 15-17, 1997, Cairo, Egypt.
27. "Egyptian Power Sector Situation and the Role of Private Sector Participation in the Power Generation Projects". Dec. 15-17, 1997, Cairo, Egypt.
28. "Power Plant BOOT Projects, the First Egyptian Experience". BOT Projects and FIDIC Contracts. Conference Organization by Cairo Regional Center for International Commercial Arbitration, Sharm Al Shiekh-Egypt, October 1998.
29. "Energy Conservation and Demand Side Management in Egypt". The 4th Afro-Asian International Conference in Regional Power Development and Energy Trading Through Interconnections, Cairo, Egypt, Dec. 1998.
30. "Privatization of Power Generation". The 4th Afro-Asian International Conference in Regional Power Development and Energy Trading Through Interconnections, Cairo, Egypt, Dec., 1998.
